

Robert Stevenson

Biography:

Robert Stevenson is one of the most widely recognized professional speakers in the world. He is the author of the best selling book, "How To Soar Like An Eagle In A World Full of Turkeys," and his new book, "52 Essential Habits for Success," is destined to become one. He is a man who is consistently honored with standing ovations and requests to bring him back next year. Many clients have rated him as the best speaker they've ever heard. Mr. Stevenson has shared the podium with such renowned speakers as former President George H.W. Bush, former Secretary of State Colin Powell, General Norman Schwarzkopf, Anthony Robbins, Tom Peters and Steven Covey. He is a graduate of Georgia Tech where he received his BS in Industrial Management.

This former All-American athlete has owned several companies, sold internationally in over 20 countries, established and maintained hundreds of accounts worldwide along with managing a worldwide sales force. Your people will be hearing from a man who has lived his experiences, not just studied them. He has held positions from Salesman to Chief Executive Officer.

As a professional speaker for over twenty years Mr. Stevenson has spoken to over 2,000 companies, interviewed more than 10,000 employees, managers, and senior executives and worked with over 200 different industries. His ability to connect with an audience is amazing; be it a strategic planning session for a Fortune 500 company to 20,000 salespeople, he excels at blending humor, facts, inspiration, conviction and audience participation. Simply stated by one of his clients..."Robert not only did his homework but used what he learned to gain the interest and respect of the audience in the first ten minutes of his program. He really knew our industry and his research showed. He brought the house down and the audience to their feet!"

Mr. Stevenson has produced the training DVD "Beyond Excellence." The fast-paced program is filled with advice on how to become an extraordinary person in business, and in life. Using real world examples, dozens of interesting slides, and powerful true stories, Robert Stevenson delivers a high-energy program that can help anyone to achieve higher levels of excellence. He covers a broad spectrum of ideas, including leadership, accountability, dealing with stress, handling change, how to criticize, the power of laughter, how to exceed expectations, balance, and much more. Whether you are just starting out in business, or a seasoned professional, these ideas will remind you of all the things you need to do when you are committed to soaring above and beyond excellence.

Today, Robert travels around the world, sharing powerful ideas for achieving excellence, both personally and professionally. His client list reads like the Who's Who in business. Companies like Prudential, FedEx, Berkshire Hathaway, Chevron, Harley-Davidson, Honeywell, Lockheed Martin, Radio Shack, Caterpillar, American Express, Time Warner and Kellogg have all invited Robert Stevenson to help motivate, inspire and educate their people.
